

## **UNIFIED SERVICE, 9:00AM**

***One service, lots of opportunities for community***

Dear Sisters and Brothers in Christ,

Starting this Sunday, July 2, we go with a single 9:00AM worship service through the rest of the summer. We've already done a combined service for the July 4<sup>th</sup> holiday weekend in the past, and talked about doing it for Labor Day. So...we are doing that, along with the weeks in between. There will be features of both the traditional and contemporary services, and more. Come experience our community in a special way this summer.

There will be opportunities before and after our worship services. Here is the schedule:

**8:00-8:50AM** – Bible study, small group, opportunities...or just hang out and share refreshments and conversation.

### **9:00-10AM – Worship**

**10:15-11AM** – “Digging Deeper” discussion group, weekly community activity, ... or just hang out and share refreshments and conversation.

SUNDAY Worship and more

## RE-CREATION

*Important! We are providing lots of opportunities. Feel free to take advantage of one, a couple, or all of them. Invite others to join you. OR...feel free to just worship, and maybe have a cup of coffee. The studies and activities are opportunities, not obligations.*

*Do what you need to do to find RE-creation.*

**Lectionary in the Lounge** is a chance to go deeper into the Bible readings for that Sunday. Led by Chris Robinson, in the Lounge.

**Mark on John** is a three-part series on John's gospel, led by Pastor Mark, meeting upstairs in the double room. The same series will also be available on Thursday evenings at 7pm – July 6, 13, 20.

Lots of opportunities, but the center is our worship together. Some come....connect to your church community, grow in your faith, find re-creation, spend time with God.

Your partner in Christ's mission,

*Pr Mark*
